Customer Name _____ Date _____

Service Address _____ Account # _____

I am requesting that Wayne Water Districts discontinue my bank draft effective with the next available draft date. I am allowing at least 10 business days for this to become effective and understand that any draft already scheduled to be debited from my bank account will still be processed.

If a draft already in process is returned by the bank, returned check charges will be applied. Wayne Water Districts will not be responsible for any bank charges if I failed to provide the required notice.

I understand that if I established the Bank Draft in exchange for a service fee waiver and the minimum two years has not been fulfilled, the waived fee will be added back to my account.
